The Lancer Legend Staff has tried to capture the atmosphere of busyness which pervades at T.O.H.S. through the theme of Going Places. The entire year seemed to be one of rushing to finish a project, only to start another. Homework, club meetings, games, and dances have kept us going all year. Now we can pause to look back at a year that has gone too quickly and to reflect on the activities that made it so.

Dedication

The Lancer Legend is dedicated this year to a person who has greatly influenced Thousand Oaks High's first graduating class. He moved with the Class of 1964 from Adolfo Camarillo High, and has been its class advisor throughout the past four years. Probably his greatest achievement has been to help students think for themselves. He has accomplished this through his teaching and advising, both inside and outside the classroom.

The Senior Class is indebted to you, Mr. Anderson, for your continual interest and guidance during the past four years.

District Administration

BOARD OF TRUSTEES: Mrs. Brenda St. Hilaire, Secretary; Mr. Axel Jensen, Asst. Supt.; Dr. Joseph W. Crosby, Supt.; Mr. John Cooley, Mr. Mike Vujovich, Dr. Robert Matthews, Mr. Rollo Van Slyke.

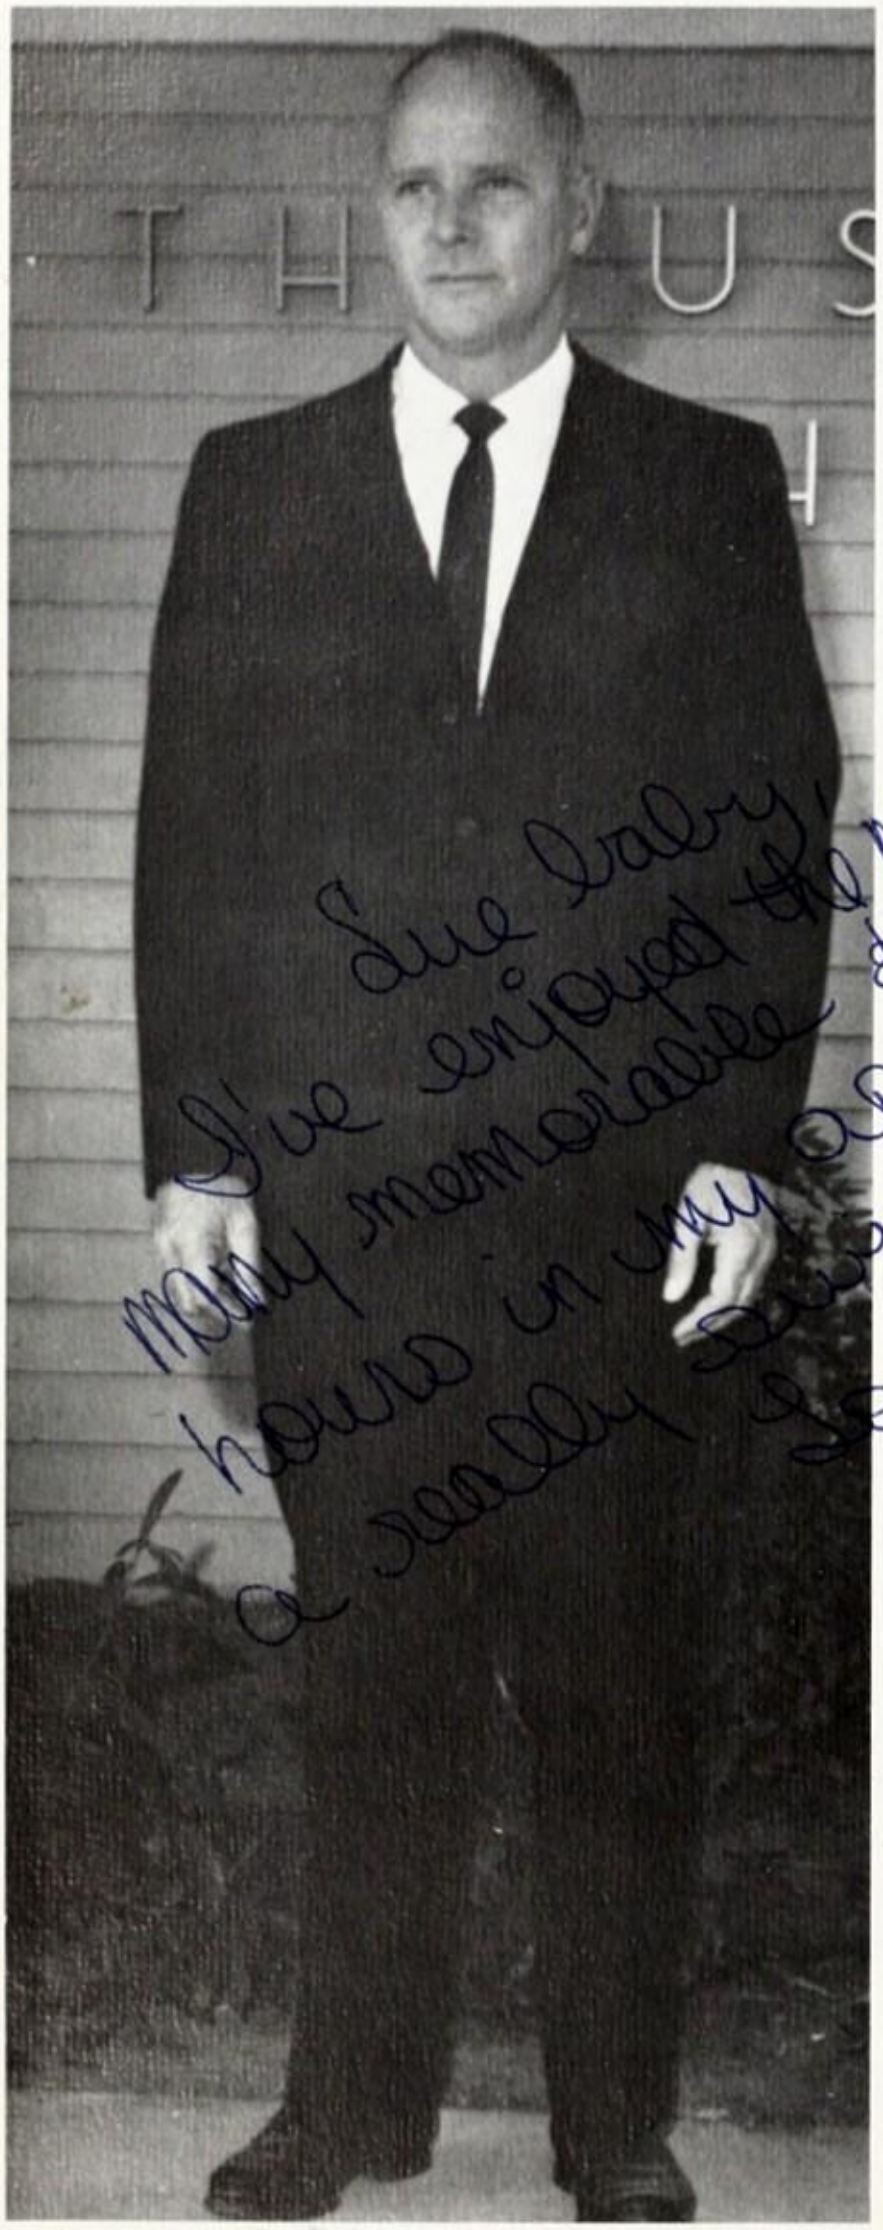
ADMINISTRATION and FACULTY

Principal

Mr. Rosser has many responsibilities at Thousand Oaks High School, but they are well under control in his capable hands. His enthusiasm, his sense of fair play, and his sincere interest in the students and faculty make him a friend of everyone.



MR. TOM ROSSER, Principal

Commencement time traditionally brings a wave of nostalgia, and the realization that life is a continual change. This year, the feeling will be unusually severe, as we bid goodbye to our first graduates. On behalf of the entire staff, I wish each member of the Class of 1964 best wishes for the future and a sincere "Thank You" for your tremendous efforts at Thousand Oaks High School. Classes of the future will do exceedingly well to fill the shoes left vacant by your graduation.

Sincere best wishes,

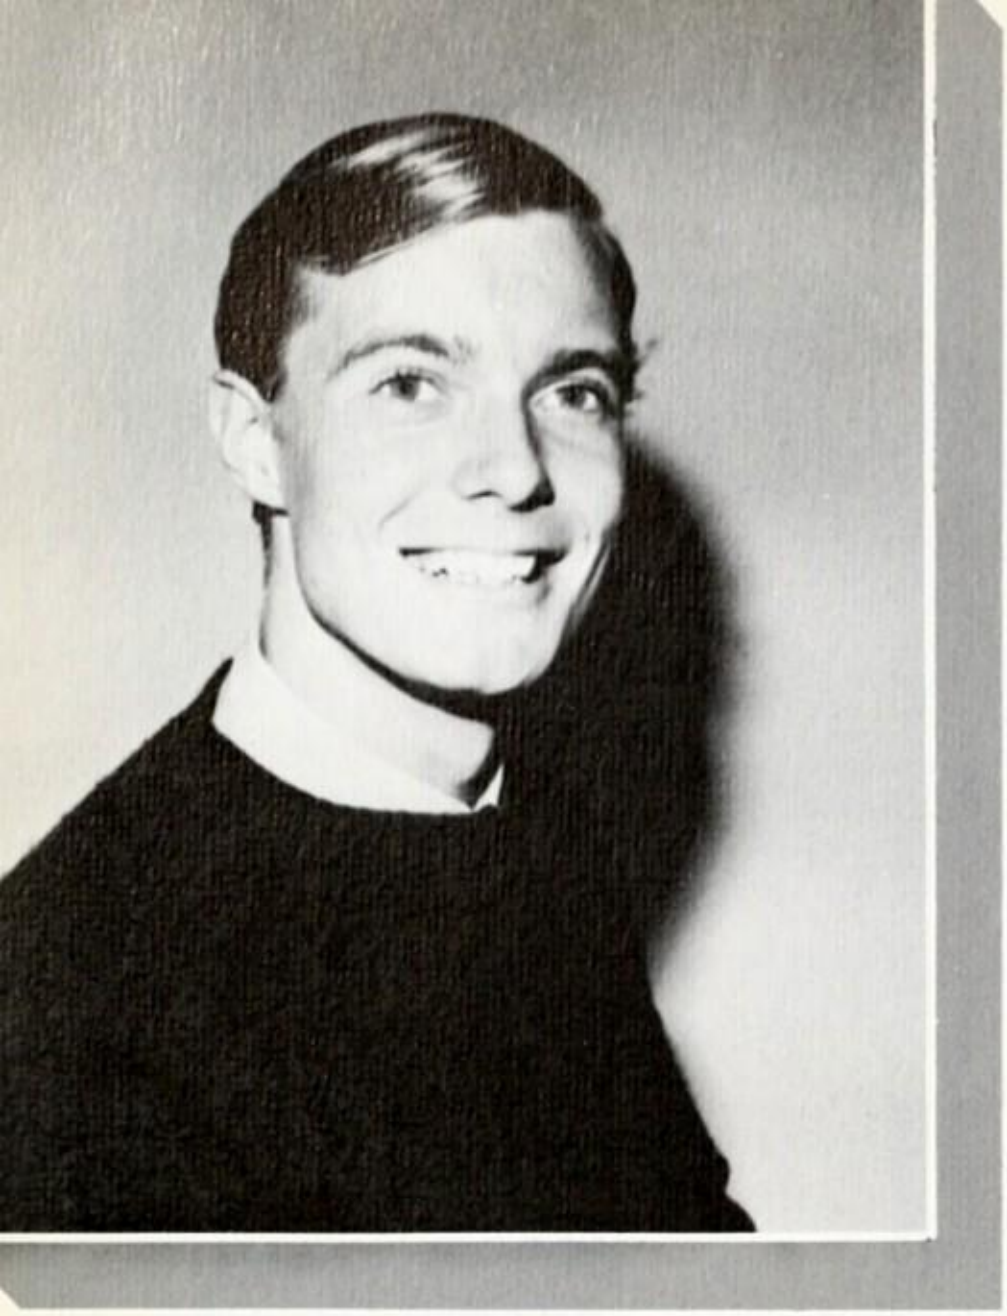
Associated Student Body Officers



WOLF MUSER, A.S.B. President

The Associated Student Body represents the students of Thousand Oaks High School as a whole. Through the sale of A.S.B. Cards, money is raised and a detailed budget is drawn up to cover all expenses from V.C.I.S.C. to supplies for posters and paints.

Its officers are responsible for organizing and coordinating formals, rallies, hops, assemblies and other projects of various natures. A.S.B. sponsored such social affairs as the Welcome Dance, the Football Formal, and the Spring Sports Formal.

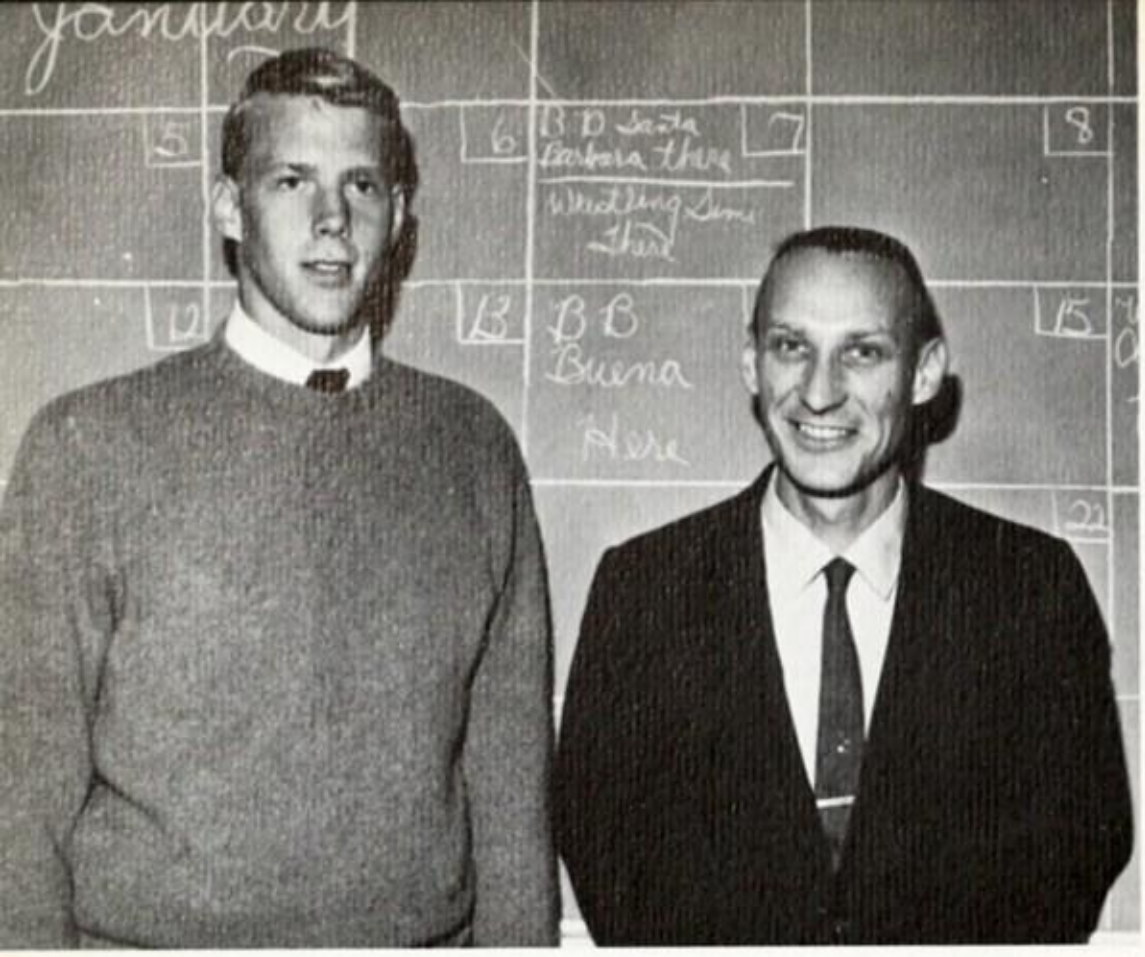
Senior Class



CONRAD BRAATEN, President; MR. B. D. ANDERSON, Advisor.

The present graduating class began its first year of high school at Adolfo Camarillo High. The ninth graders that year sponsored the first Freshman Carnival, which is now a tradition there. In its Sophomore year the class won second place with its Homecoming Float and sponsored a Halloween dance and a successful Luau.

In the fall of 1962 the Class of '64 moved to the newly finished Thousand Oaks High. Its officers, who were elected the previous spring were Jim Olsen, President; Melli Runnion, Vice-President; Carol Trumbauer, Secretary; and Pat McLaughlin, Treasurer. Under their leadership the class had a Halloween Dance and a Jr. Girls vs. Jr. Boys basketball game. Funds from these activities plus Bermuda days, after-game dances, and concessions were augmented by the profit from the successful Junior Class Play, "The Night of January 16th." This money enabled the Class of '64 to build a Senior Patio.

Early this year the class chose powder blue and white as its colors and "Elysians" for its name. The Elysians have been very active this year. They have had a Hush Day, Bermuda Day, an after-game dance, a Senior Patio Workday, and an interesting Senior Girls vs. Senior Boys basketball game.

In November the class decided to donate page outfits and a throne to the school for use at dances. With the money remaining in the treasury the class will leave a gift for the school.

At the time the Lancer Legend went to press, plans were busily being made for graduation. Talk of Senior Awards Night, a Senior Breakfast, and the All-Night Party was common. And now that the end is really in sight—the excitement of graduation near—the Seniors pause to think of their four years and of the events which make them memorable.

Junior Class

Marsha Elliott, President; Betty Hendrickson, Vice-President; Ben Shearer, Sergeant-at-Arms; Kathi Miller, Secretary; Kathy Vecchio, Treasurer.

The Junior Class, numbering 367, was kept on the go with two major activities. It had its Junior Class Play, *Lo and Behold,* which ran for three successful nights, November 14, 15, and 16. The big Prom for the Seniors came at the end of May after much hard work. In the interim the class sponsored a Bermuda Day, an after-game dance, and had a concession.

The hassle of taking yearbook pictures

V C I S C

Mr. Rosser and Wolf Muser extend their welcomes to the V.C.I.S.C. representatives.

Thousand Oaks High hosted its first Ventura County Inter-School Council meeting on October 22, 1963. The Girls' League, Future Homemakers of America, and the cafeteria staff pitched in to help the A.S.B. prepare for the big event.

Registration and a general meeting were held in the library and then the group divided into smaller groups to discuss various school problems. Following these meetings, everyone gathered in the cafeteria for dinner.

The Future Homemakers of America provided refreshments during registration.

A discussion on school spirit.

The V.C.I.S.C. Projects Committee meets.

Despite a seemingly jinxed home field for the Varsity team, the squad did well and the Lancer fans were especially proud to have won a bid in CIF play by placing third in the Frontier League.

The JV team with its record of six wins and three losses and the Frosh team with its season record of seven wins and one loss did very well, too.

T.O.H.S. is happy with the results of the first year in league play.

The Varsity Basketball Team had its ups and downs this year, but mostly ups. Placing first at the Nordhoff Tourney and the exciting victories over Fillmore 59 to 57 and over Camarillo 87 to 68 are perhaps the most memorable.

The JV, B, and C teams, pictured on pages 105 and 106, did equally well this season, each having as many or more wins than losses.

Coaches Ackerman, Fisher, Pulido, and Wilson should be applauded for guiding their teams through a fine season.

Wrestling as a sport at Thousand Oaks High School has been growing in popularity since its introduction this year. The Varsity's win-loss record was 2-7 and the JV's was 4-5 when this page went to press. The school is proud to have five boys among the best in the league. More physical ability is shown in track than in any other sport. It is a sport in which each member is competing for both himself and the team. A member receives points according to where he places and these points are totaled for the team score.

The hopes for the Golf Team this year are high because it now has the experience it lacked last season. Practice began in mid-February at Las Posas. Matches were played there until the opening of Los Robles in April. The team consists of 16 boys. The top five scorers during the week play the match that week.

YOU WILL FLUNK IF I CAN'T!
OK, LET'S GO

An annual does not appear by magic at the end of the year. It takes work, a lot of work. The theme of this edition of the *Lancer Legend,* "Going Places," describes my busy staff well. I really appreciate the hours they gave unselfishly.

Special thanks go to Miss Hinkle, Advisor; Carol Shearer, Business Manager; Ed Harpe, Photographer; Micki Scott, Typist; and Mrs. Romans, A.S.B. Bookkeeper, who were with me through all phases of production. In addition, I sincerely wish to thank the faculty and administration for their cooperation.

The staff has put much thought into this annual. It has attempted to design a book which will have a lasting meaning for you and one of which you will be proud. We hope you enjoy it.
